PRE-INSPECTION AGREEMENT**

Standards and Scope: The Client (identified below) understands that this Property Inspection is a visual review of only readily accessible areas. The Standards of Practice used meet those prescribed by the Texas Real Estate Commission (TREC) and the American Society of Home Inspectors (ASHI). No determination of adequacy or efficiencies, excavation, disassembly, or removal of obstructions is performed. Hidden or obstructed defects may not, and likely will not, be observed. In addition, some property components are inspected on a random sampling of like items, i.e., electrical outlets, windows, doors, etc. Therefore, not every defect may be found or identified.

This will enable the inspector to point out specific observations, as well as help the Client understand any comments provided in the Property Inspection Report. This report is intended for the benefit and use **only** by the party contracting for same. It is not intended to benefit or be used by any third party; and transmittal to any third party for use, review, or reliance, without Spectra Inspection Services' prior written approval, is expressly prohibited.

Warranties Excluded: The Client understands, accepts, and agrees that Spectra Inspection Services does not impliedly or expressly warrant or guarantee its Property Inspection, Property Inspection Report, or the condition of the subject property. The Property Inspection Report is intended to be a summary of those items identified in using the TREC and ASHI standards, which is in no way intended to be a complete, exhaustive inspection.

The inspection and report of Spectra Inspection Services should not be expected to, and in most cases will not include any, notices, alerts, or warnings related to the same.

Arbitration: In the event that any dispute arises out of or relates to the Property Inspection performed or Property Inspection Report issued under this Agreement, such dispute shall be submitted to binding arbitration for resolution under the authority of the Texas General Arbitration Act Chapter 171 Tex. Civ. Prac & Rem. Code. Election to submit any claim to arbitration must be given in writing to Spectra Inspection Services within one (1) year of the Property Inspection. Any such claim or dispute not brought within one (1) year of the Property Inspection is expressly waived in its entirety. Arbitration hereunder shall be conducted pursuant to the Rules and Procedures for the Expedited Arbitration of Property Inspection Disputes administered by Construction Arbitration Services, Inc. Venue for any such proceeding shall be Arlington, Texas, and Texas law shall be the choice of law applicable. In the event that a dispute is submitted to arbitration pursuant to this paragraph, the decision of the arbitrator shall be final and binding on the parties; and judgment on the award of the arbitrator may be entered in any Texas court of competent jurisdiction.

Limitation of Liability: Spectra Inspection Services and its consultants, partners, agents, and employees, shall not be liable to the Client, whether jointly, severally or individually, in excess of the compensation paid to Spectra Inspection Services under this Agreement, or in excess of the sum of \$500.00, whichever is greater, as a result of any act or omission not amounting to a willful or intentional wrong. Client hereby agrees that, to the fullest extent permitted by law, Spectra Inspection Services and its consultants, subcontractors, partners, agents, and employees shall not be liable to Client for any special, indirect, or consequential damages whatsoever, whether caused by Spectra Inspection Services, its subcontractors', consultants', partners', agents', or employees' negligence, errors, omissions, strict liability, breach of contract, breach of warranty, or other cause or causes whatsoever, including but not limited to loss of use of equipment or residence, structure, facility, and loss of profits or revenue.
